As of 30 April 2025

ORGANISATION FOR CO-OPERATION BETWEEN RAILWAYS (OSJD)

The Organisation for Co-Operation between Railways (OSJD) is an international Organisation established at the Railway Ministers Conference in Sofia, Republic of Bulgaria, by the ministers responsible for the railway transport, on June 28th, 1956. The OSJD activities are undertaken according to the OSJD Statute, which is of an international treaty nature.

OSJD Committee is a depositary of:

- two international agreements, being of vital importance for the cross-border rail traffic – Agreement on International Passenger Traffic (SMPS) and Agreement on International Goods Transport by Rail (SMGS);
- tariffs – MPT, MTT and ETT;
- rules for the use of passenger coaches and freight wagons – PPW and PGW;
- other agreements and contracts.

Among the OSJD members there are transport ministries and central transport bodies, responsible for the railway transport, from 30 countries.

According to the Statute of the Organisation for Co-Operation between Railways, other forms of participation in the OSJD are possible, e.g.: as an observer – for ministries or railways (there are 5 of them at present), and as an affiliated enterprise (currently the total number of them is 38) – for the organisations and companies involved in railway activities.

FIELDS OF ACTIVITIES

Major OSJD activities comprise:

- development and improvement of international railway transportation with the traffic between Europe and Asia in the first place, to include combined transportation;
- development of consentaneous transport policy in the field of international railway traffic, elaboration of railway transport and OSJD activity strategies;
- improvement of international transport law, administration of the Agreement on International Passenger Traffic (SMPS), Agreement on International Goods Transport by Rail (SMGS) and other legal documents connected with the international railway traffic;
- co-operation for tackling the issues connected with the economic, information, scientific, technological and ecological aspects of railway transport;
- development of measures aimed at the increase of railway transport competitiveness in comparison with other modes of transportation;

- co-operation in the field of railway operation and technical matters connected with further development of international railway traffic;
- collaboration with other international organisations engaged in railway transportation matters, including those of combined transport.

GOVERNING BODIES

The **“OSJD Ministerial Conference”** (MC) is the supreme OSJD governing body. The Ministerial Conference considers and takes decisions at the governmental level concerning all matters related to the OSJD field of activities, taking into account the proposals of the **“Conference of General Directors (Authorised Representatives) of OSJD Railways”** (CGD), which is a governing body on the level of railways and railway undertakings and enterprises.

In 2025, session LII (52) of the Ministerial Conference was held in Qingdao (People’s Republic of China) from 10 till 13 June, while in 2026 – the year of the OSJD’s 70th anniversary – session LIII (53) of the OSJD Ministerial Conference is scheduled for June in the Republic of Tajikistan.

The Conference of General Directors (Authorised Representatives) of OSJD Railways (CGD) organises the work and makes decisions on the issues related to the areas of OSJD activities within the competence of railways and railway undertakings. In 2025, CGD meeting XXXIX (39) was held from 14 till 17 April in Warsaw (Republic of Poland), while CGD anniversary meeting XL (40) is scheduled for April 2026 in the Republic of Kazakhstan.

The Ministerial Conference and the Conference of General Directors take decisions within their competence on the following issues:

- setting-up of working and other bodies, as well as their quantity, structure, work programme, duties, terms of activities and working procedures;
- appointment of the Committee’s managerial staff and post distribution among the OSJD members of the chairmen and specialists of the OSJD Commissions and experts of the OSJD Permanent Working Groups, as well as on other matters related to the OSJD activities.
