The Organisation for Co-Operation between Railways (OSJD) is an international Organisation established at the Railway Ministers Conference in Sofia, Republic of Bulgaria, by the ministers responsible for the railway transport, on June 28th, 1956. The OSJD activities are undertaken according to the OSJD Statute, which is of an international treaty nature.

OSJD Committee is a depositary of:
- two international agreements, being of vital importance for the cross-border rail traffic – Agreement on International Passenger Traffic (SMPS) and Agreement on International Goods Transport by Rail (SMGS);
- tariffs – MPT, MTT and ETT;
- rules for the use of passenger coaches and freight wagons – PPW and PGW;
- other agreements and contracts.

Among the OSJD members there are transport ministries and central transport bodies, responsible for the railway transport, from 30 countries.

According to the Statute of the Organisation for Co-Operation between Railways, other forms of participation in the OSJD are possible, e.g.: as an observer – for ministries or railways (there are 5 of them at present), and as an affiliated enterprise (currently the total number of them is 37) – for the organisations and companies involved in railway activities.

**FIELDS OF ACTIVITIES**

**Major OSJD activities comprise:**

GOVERNING BODIES

The “OSJD Ministerial Conference” (MC) is the supreme OSJD governing body. The Ministerial Conference considers and takes decisions at the governmental level concerning all matters related to the OSJD field of activities, taking into account the proposals of the “Conference of General Directors (Authorised Representatives) of OSJD Railways” (CGD), which is a governing body on the level of railways and railway undertakings and enterprises.

In 2021, due to the restrictions imposed worldwide to prevent the spread of the pandemic, session XLIX (49) of the Ministerial Conference was held in the OSJD Committee in Warsaw (Republic of Poland) using videoconferencing mode from 15 till 18 June, while Anniversary Session L (50) of the Ministerial Conference is scheduled for June 2023 in the Republic of Korea.

The Conference of General Directors (Authorised Representatives) of OSJD Railways organises the work and takes decisions within the capacity of railways and railway undertakings. In 2021, due to the restrictions imposed worldwide to prevent the spread of the pandemic, meeting XXXVI (36) of the Conference was held on 19-23 April in the OSJD Committee in Warsaw (Republic of Poland) in videoconferencing mode, while in 2023, CGD meeting XXXVII (37) is planned to be held in April in Warsaw.

The Ministerial Conference and the Conference of General Directors take decisions within their competence on the following issues:
- setting-up of working and other bodies, as well as their quantity, structure, work programme, duties, terms of activities and working procedures;
- appointment of the Committee’s managerial staff and post distribution among the OSJD members of the chairmen and specialists of the OSJD Commissions and experts of the OSJD Permanent Working Groups, as well as on other matters related to the OSJD activities.

The draft Convention has been developed as a result of a more-than-10-year work of the AWG for the Improvement of the OSJD Fundamental Documents.

International agreements and regulatory documents currently existing within the OSJD framework, including the SMPS and SMGS Agreements, have been incorporated as annexes to the draft Convention. To consider and adopt the draft text of the Convention, an International Conference has been established with the participation of the delegations of the OSJD member states. Six sessions of the International Conference have been already held in Warsaw (November 2016, March 2017, November 2017, March 2018, November 2018 and March 2019), and the next one is planned during 2023.
